RE: **Notice of Decision:** Depot Park Improvements (SPR08-005)

Dear Alana:

On July 18, 2008, the Planning Director approved the above referenced site plan application with conditions. I have attached the staff report dated July 18, 2008.

Now that you have site plan review approval you may now proceed with construction/engineering drawings for review. We are glad to have this project approved and look forward to development of the site in the near future. Congratulations!

If you have any further questions please contact me at 425-788-2779 or email me at amy.bright@duvallwa.gov.

Sincerely,

Amy Bright
